JOYFUL SATURDAYS

- The Joyful Saturday Initiative:** A creative approach to education that brings learning to life beyond textbooks through experiential activities. Observed on the first and third Saturdays of each month, these special days aim to make education engaging and interactive for all students through subject enrichment programs.
- Second and Fourth Saturdays:** For Grades 1 to V, these Saturdays will be holidays, offering students the opportunity to explore their surroundings and enjoy quality time with their families. However, regular classes will continue for Grades VI to XII.
- Pre-Primary Schedule:** Pre-primary students will continue to have Saturdays off, as per their usual schedule.
- Activity Highlights:** Students participating in "Joyful Saturday" will engage in subject enrichment activities and project work, ensuring a refreshing and stimulating break from the routine.

"The beautiful thing about learning is that no one can take it away from you."
